

### REMARKS

In the Notice of Non-Compliment Amendment dated March 18, 2004, applicants response dated February 27, 2003 was considered non-compliant because each amended claim was marked with the identifier "amended" and not "currently amended".

Accordingly, as attached herewith, a corrected Amendment to the Claims is submitted marking each claim amended in the February 27, 2004 response with the identifier "currently amended."

If the Examiner should have any questions, he is kindly urged to contact the undersigned attorney.

Respectfully submitted,
